SEPTEMBER

GRADES 1-2 CLASSROOM 2

Our activities and our little explorers.

Ms. Levita (Ms. Vita)
Grades 1-2 Teacher

WE ARE EXPLORING, CREATING, AND GROWING TOGETHER EVERY DAY.

BOZHOO AND WELCOME!

What a wonderful month of September it is! We are excited for the 1st month of the school year. Learning a lot of things and making great memories.

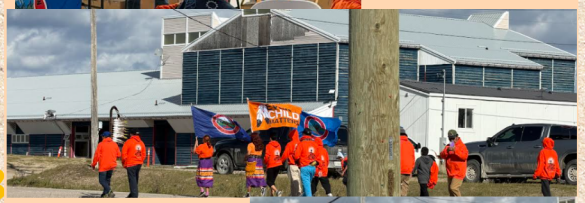

Our class and Ms. Lyra's class have merged our activities so students can have social interaction, participation, and cooperation in group activities.

Students had fun, learned and develop skills as they participated the activities.

HEALING WALK

Chief Bruce having the opening remarks of the Healing walk along with Mr.Darren and Elder Russel.

To honor residential school survivors and to remember the children who never returned home.

FALL & RAIN ACTIVITY

Grades 1-2 students are listening to Ms. Lyra's discussion about the living things and our land. They are patiently waiting for the instructions of the activity which they will cut out the umbrella and clouds then glue them on the paper and they need cotton buds for the rain drops.

They learned about fall season, the importance of rain and how they focus on doing the activity.
