Four Rivers & Matawa School Visit

Four Rivers has been providing environmental services to First Nation communities through programs to assist with actively managing the lands and their homelands.

Four Rivers and Matawa staff members visited Henry Coaster Memorial School on October 27, 2026. They set up lots of educational activities at the gymnasium for the students from Kindergarten to Grade 8 whom they will have fun and educationally engaged with learnings from the activities. Grades 1-2 Classroom 2 students visited the gymnasium and went to different booths such as Four Rivers booth which showed numerous types of rocks. Students were engaged checking the rocks , their characteristics, and how they formed.
