Great Moon - February

Mr. Gabe's Grade ¾ Newsletter

## ☀ January Classroom Highlights

January was an exciting and busy return to school after the holiday break. Students settled back into routines quickly and brought great energy into the classroom as we began the new year together.

## 🎵 Culture, Language & Music

Orville continued leading our traditional drumming circle, building confidence through drumming and singing. It was exciting to see Harry begin singing along.

Ms. Brenda, our Native language teacher, worked with students on learning body parts in Oji-Cree through listening, repeating, and practice.

Students also enjoyed a special concert by Shiibastik, who shared songs and stories through music.

## Learning Achievements

We celebrated several learning milestones this month.

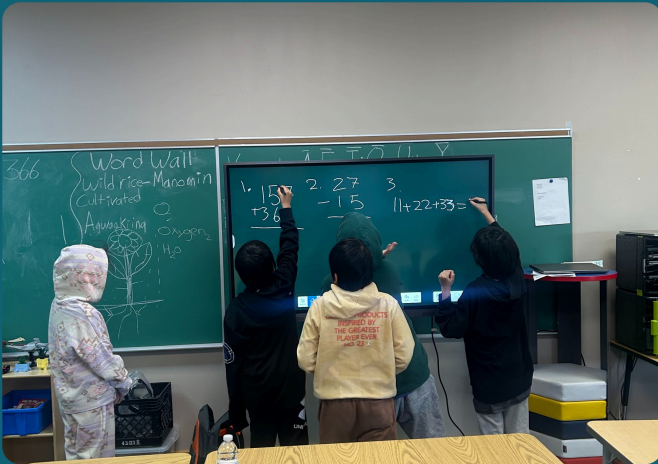

Lexia

- Leah – Level 13
- Cytheria – Level 16

Symphony Math

- Harry – Level 12

These achievements show strong effort and perseverance.

## Looking Ahead

- Family Day – February 16
- PA Day – February 20
- Term 2 Report Cards – Sent home February 23

## Reminders for Families

Thank you for your continued support. Reading together and encouraging Lexia practice at home helps support student confidence and growth.
